

# *Eyewitness Testimony*

*We, the undersigned, hereby testify that on the eighth day following  
Passover, that we were together in a room with doors shut, when  
suddenly Jesus of Nazareth appeared and stood before us, not as a  
spirit, but in body. He was in good health, and showed us the wounds  
in His hands, side and feet. Thomas, who is one of us, touched His  
wounds, for he had doubted. After this, he fell to his knees and  
exclaimed "My Lord and my God!" It was after this that our Lord  
Jesus ate with us. Jesus also appeared to us when we were without  
Thomas on the evening of the first day following Passover, and showed  
us His wounds. He also appeared and spoke with Mary and the other  
women, to two of us en route to Emmaus, to seven of us by the Sea of  
Galilee, and other times. During all of these encounters, He was in  
excellent health, and showed no signs of weakness from the crucifixion,  
where His body was so horribly tortured. We certify and testify that  
Jesus of Nazareth, our Lord and Savior, has risen from the dead and lives!*
